Brookridge Estates Homes Association, Inc.
P.O. Box 12174
Overland Park, Kansas 66282-2174

www.BrookridgeEstates.org

Revised 9/1/2025

The Brookridge Estates website is a public site; HOWEVER there is also restricted information available to BROOKRIDGE RESIDENTS ONLY.

Release of Directory Information

This Directory is published solely for the personal use of the residents of the Brookridge Estates Homes Association. Distribution or use of the Directory and/or its contents for business or solicitation use is prohibited by the Board of Directors of the Brookridge Estates Homes Association.

Contacting the Board

The Board can be contacted by using the CONTACT option on our homeowners' website at:
www.BrookridgeEstates.org or by email at:
BrookridgeEstatesHOA@gmail.com.

Board Meetings

Board meetings are normally held on the 2nd Thursday of each month and are open to all home owners in good standing*. Please contact the Board President to determine the exact date, time and location of the Board meeting.

**good standing denoted by Home Owners due paid in full*

Trash Pickup

Brookridge Estates has contracted with **KC Disposal** to provide trash pickup, household recycling and yard waste services. Residents will receive a yearly invoice in December from the Brookridge Estates Home Association for those services. Residents requesting additional services from Republic Services, such as bulk waste pickup and requesting a different size trash and recycling carts will be responsible for individual payment of those services.

Trash pickup, household recycling and yard waste pickup is on **Tuesdays**. Items should be placed out for pickup prior to **6:00 a.m.** on the day of pick up. Please put recyclables on the opposite side of the drive from household waste. Place the bins so they face the street.

Trash pickup will be on Wednesday if a designated holiday falls on a Monday. Designated holidays are: **New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas**. Yard waste is picked up every week and limited to 10 paper bags per week. Each dwelling is allowed one (1) free bulky item on the last pick up day each month. Consult they website for accepted items. Please contact KC Disposal directly for this service needs outside of the above.

Trash pickup may be delayed a couple of days due to hazardous weather conditions created by ice and or heavy snow.

KC Disposal can be reached at **816-388-9739**, Monday thru Friday from 8 a.m. to 4:30 p.m.

Summary of Brookridge Estates Deed Restrictions

The following is a general outline of the deed restrictions that apply to properties in the Brookridge Estates subdivision. We have included this summary in our Directory in the hope that it will help our residents to have it handy for reference throughout the year.

Our deed restrictions are a set of rules intended to maintain the character of our neighborhood and its quality of life by limiting certain physical alterations, activities, etc. In legal terms, the restrictions are called covenants running with the land, meaning they are legally binding on each homeowner and enforceable in court.

We hope all of our residents will view these restrictions as an important benefit of owning a residence in Brookridge Estates. When we purchased our homes, each of us agreed to abide by the restrictions as a condition of accepting title to the property; therefore, each of us has not only an obligation to comply with the restrictions, but a right to expect that our neighbors will do likewise.

IMPORTANT NOTE: The following is a simplified summary, presented for information only. The governing documents in these matters for Brookridge Estates are the Declarations of Restrictions filed August 30, 1962 and February 18, 1965 with the Johnson County Register of Deeds. This summary is not meant to supersede or alter those Declarations in any way, nor may this summary be cited in any enforcement action. To review or obtain a copy of the Declarations, please contact the Homes Association's Vice President of Restrictions.

The following restrictions apply to all properties platted for the Brookridge Estates subdivision.

Lot Specifications

The minimum frontage for each lot must be either:

- a. 70 feet at the street frontage, or
- b. 70 feet at the setback line of the residence when the lot area is more than 8,000 square feet.

Every lot has a portion set aside as a utility easement as depicted in the plats of Brookridge Estates that have been filed with the Johnson County Register of Deeds.

Placement of Structures.

Every residence must have its frontage on the street adjacent to the lot. In the case of a corner lot, the residence may front on either of the two adjacent streets or at an angle between the two.

In any new construction or remodeling, building setback lines must be observed. The distance of such setbacks shall be either as shown on the recorded plats or as required by Overland Park zoning restrictions, whichever requires the greater setback distance.

Design of Structures

Residences cannot exceed two stories in height, and otherwise may not be less than the minimum height and area specifications set forth in applicable Overland Park zoning regulations.

All residences must meet the following minimum ground-floor areas, not including garages and open porches:

- a) For a one-story house, 1,200 square feet
- b) For a split-level house, 600 square feet
- c) For a one and one-half story house, 750 square feet
- d) For a two-story house, 800 square feet

An exception to these minimums has been made for certain properties. See the applicable Declaration for details. Garages must be attached to the main structure of the residence, unless written consent otherwise is obtained from the Homes Association, and are limited to a capacity of three cars.

No structure may occupy more than 80 percent of the width of its lot as measured on its front building line. By structure is meant the main body of the residence together with any attached garages, greenhouses, ells or porches (enclosed or unenclosed).

Outbuildings

No detached garage or any other kind of outbuilding is permitted on any of the lots in Brookridge Estates without the written consent of the Homes Association.

Activities

No noxious or offensive trade or other activity is permitted in Brookridge Estates. No activity is permitted which is, or may become, an annoyance or nuisance. The keeping of any livestock or poultry is specifically prohibited. No trailer, basement, tent, shack, garage, outbuilding or temporary structure may be used as a residence, either permanently or temporarily.

Fences

Any fence higher than four feet above the ground must have the prior approval of the Homes Association and the adjacent property owners. Fences must be erected no closer to the street than the rear setback line of the house or, in the case of a corner lot, no closer to the street than the sideline setback.

Approval Required for Construction or Alteration

No new building may be erected, or existing building altered, without the written approval of the Homes Association. Specifically, the Homes Association must approve the building plans, specifications and plot plan showing location. Approval is to be based on the conformity and harmony of the external design with existing surrounding structures and suitability with respect to topography and finished ground elevation.

Application

These restrictions apply to all buildings or outbuildings originally constructed, or remodeled or rebuilt due to fire or other casualty. These restrictions are not intended to supersede the zoning regulations of the City of Overland Park or any other federal, state, county or city laws or regulations. In case of conflict, such laws and regulations will take precedence over the specific parts of these restrictions that are in conflict.

Domestic Animals and Animal Enclosures

No more than two dogs or two cats may be kept at a residence, either indoors or outdoors. Any outdoor animal enclosure must be screened from view by adequate shrubbery. Prior to the construction of any such animal enclosure, the plans must be submitted to the homes association for review and written approval.

Parking of Vehicles

Only passenger automobiles may be parked at a residence. No trailer, truck, boat or other vehicle may be parked at any time on any part of the premises, unless it is parked completely enclosed in a garage that is an approved part of the residential structure.

Paving

No pavement may be installed for the sole purpose of parking vehicles in the open on the premises. Any pavement for vehicle use on the premises must be in the nature of a driveway as normally constructed for the purpose of entering a garage.

Fences

No fence other than chain-link style may be constructed without the written approval of the Homes Association.

Contractor Referral List

The Contractor Referral List contains home maintenance companies that your neighbors in Brookridge Estates have used and recommend to their neighbors as being competent and trustworthy. Each company has been referred solely by the Brookridge Estates resident indicated in the listings. The Brookridge Estates Homes Association neither recommends nor endorses these companies, and neither the Association nor the recommending resident assumes any liability for their performance. We expect that these referrals will be used with (not in place of) the usual diligence you would exercise in selecting such services.

Changing the List

This list is maintained by the Brookridge Estates Homes Association as a service to its members. Contact the directory coordinator to add, delete, or edit a referral. To add or delete a referral, follow these simple rules.

Adding a referral

- Any referral must be a contractor that you've actually used and would personally recommend to others.
- We must have your name, address, and phone number. This is what makes it a neighbor's recommendation and not a home association endorsement.
- No negative recommendations allowed. If you can't say something nice about someone, it won't be included.

Deleting a referral

- The originator of a referral may remove their referral at any time.
- The referral will be removed if the contractor is no longer in business.
- The referral will be removed if there have been two complaints made by residents against the contractor.

DIRECTORY BY ADDRESS

*for corrections contact:
resident volunteer Connie Meder 913-608-1956*

We include the names & addresses of homeowners in the Brookridge Estates Directory via the County Records that is considered “public information” regarding property ownership. Our members are then asked if they would like their telephone number included in the directory & to provide their information when updated each year.
